Hi Baby
How things over that way. I'll bet that you're having a ball of a time keeping the boys away. Say hello to Jo Anne for me. We sure are going to miss you this summer (especially me). Well I don't want to take all the space in this book (in other words) ~~speak~~ so don't pick too many berries this year. If you get rich give me a [illegible]. Though come and see me till we meet again. This is your lover saying good luck sweetheart.

INDIANS DISCOVERING LEWIS & CLARK, CHARLES M. RUSSELL, COURTESY OF HISTORICAL SOCIETY OF MONTANA

Foreword

Flathead County High School uses terms symbolic of the Flathead Indian for the names of its organizations, athletic teams and, publications. We think it is only fitting that our 1957 yearbook should help to carry out this tradition. We have done this with color prints by Charles M. Russell, Montana's native-born artist, and with still-life pictures of authentic Indian articles from the collection of Frank B. Linderman, Montana's western writer. This was made possible by the Historical Society of Montana from whom we borrowed the copper plates for the reproduction of the Russell paintings and by Mrs. Norma Linderman Waller who allowed us to photograph her father's collection at the Museum of the Plains Indians in Browning, Montana. Ink caricatures portraying our faculty were drawn for us by Jack Waller, the grandson of Frank B. Linderman.

Our thanks go to Miss Dorothy Schoknecht and Mr. Richard Nelson, sponsors of our yearbook, and to the members of our 1957 Flathead staff for the time and effort they have contributed. We sincerely hope that through the pages of this book you will relive many pleasant experiences of this past year at FCHS.

PRINCIPAL OF FLATHEAD COUNTY HIGH SCHOOL

What do you want to do with your life? Are you satisfied now that you have a high school diploma? I hope **NOT!**

I do not mean that the diploma in itself is unimportant. Even though important it is only symbolic of the fact that you have earned so many high school credits for yourself and these credits are worthless to you unless you have learned that there are goals in life, other than and more important than living for self-satisfaction and personal pleasure.

If we as individuals are to feel "happiness" and be satisfied with our life we must at all times consider the other fellow and work for him — you can call it "Service above Self" if you will — better yet it is living so that the world will be a bit better because we have lived.

Unless your education has taught you this or will do so — your "education" as such is a failure.

Flathead High School Board

Mr. Conrad Gilbertson, Mr. Owen E. Sowerwine, chairman; Dr. M. O. Burns, Mr. Elmer Beeman, Mr. Kenneth Rawson, principal; Mrs. Carl Grosswiler, Miss Lulu Barnard, Mr. M. O. Wood, clerk; Mr. Myles Johns.

It is our hope that members of the Class of 1957 who look back ten or twenty years from now will then feel that the years in FCHS were years well spent.

We hope you have received adequate basic knowledge and the inspiration to search for more, and have developd useful skills and habits which will endure in a changing world.

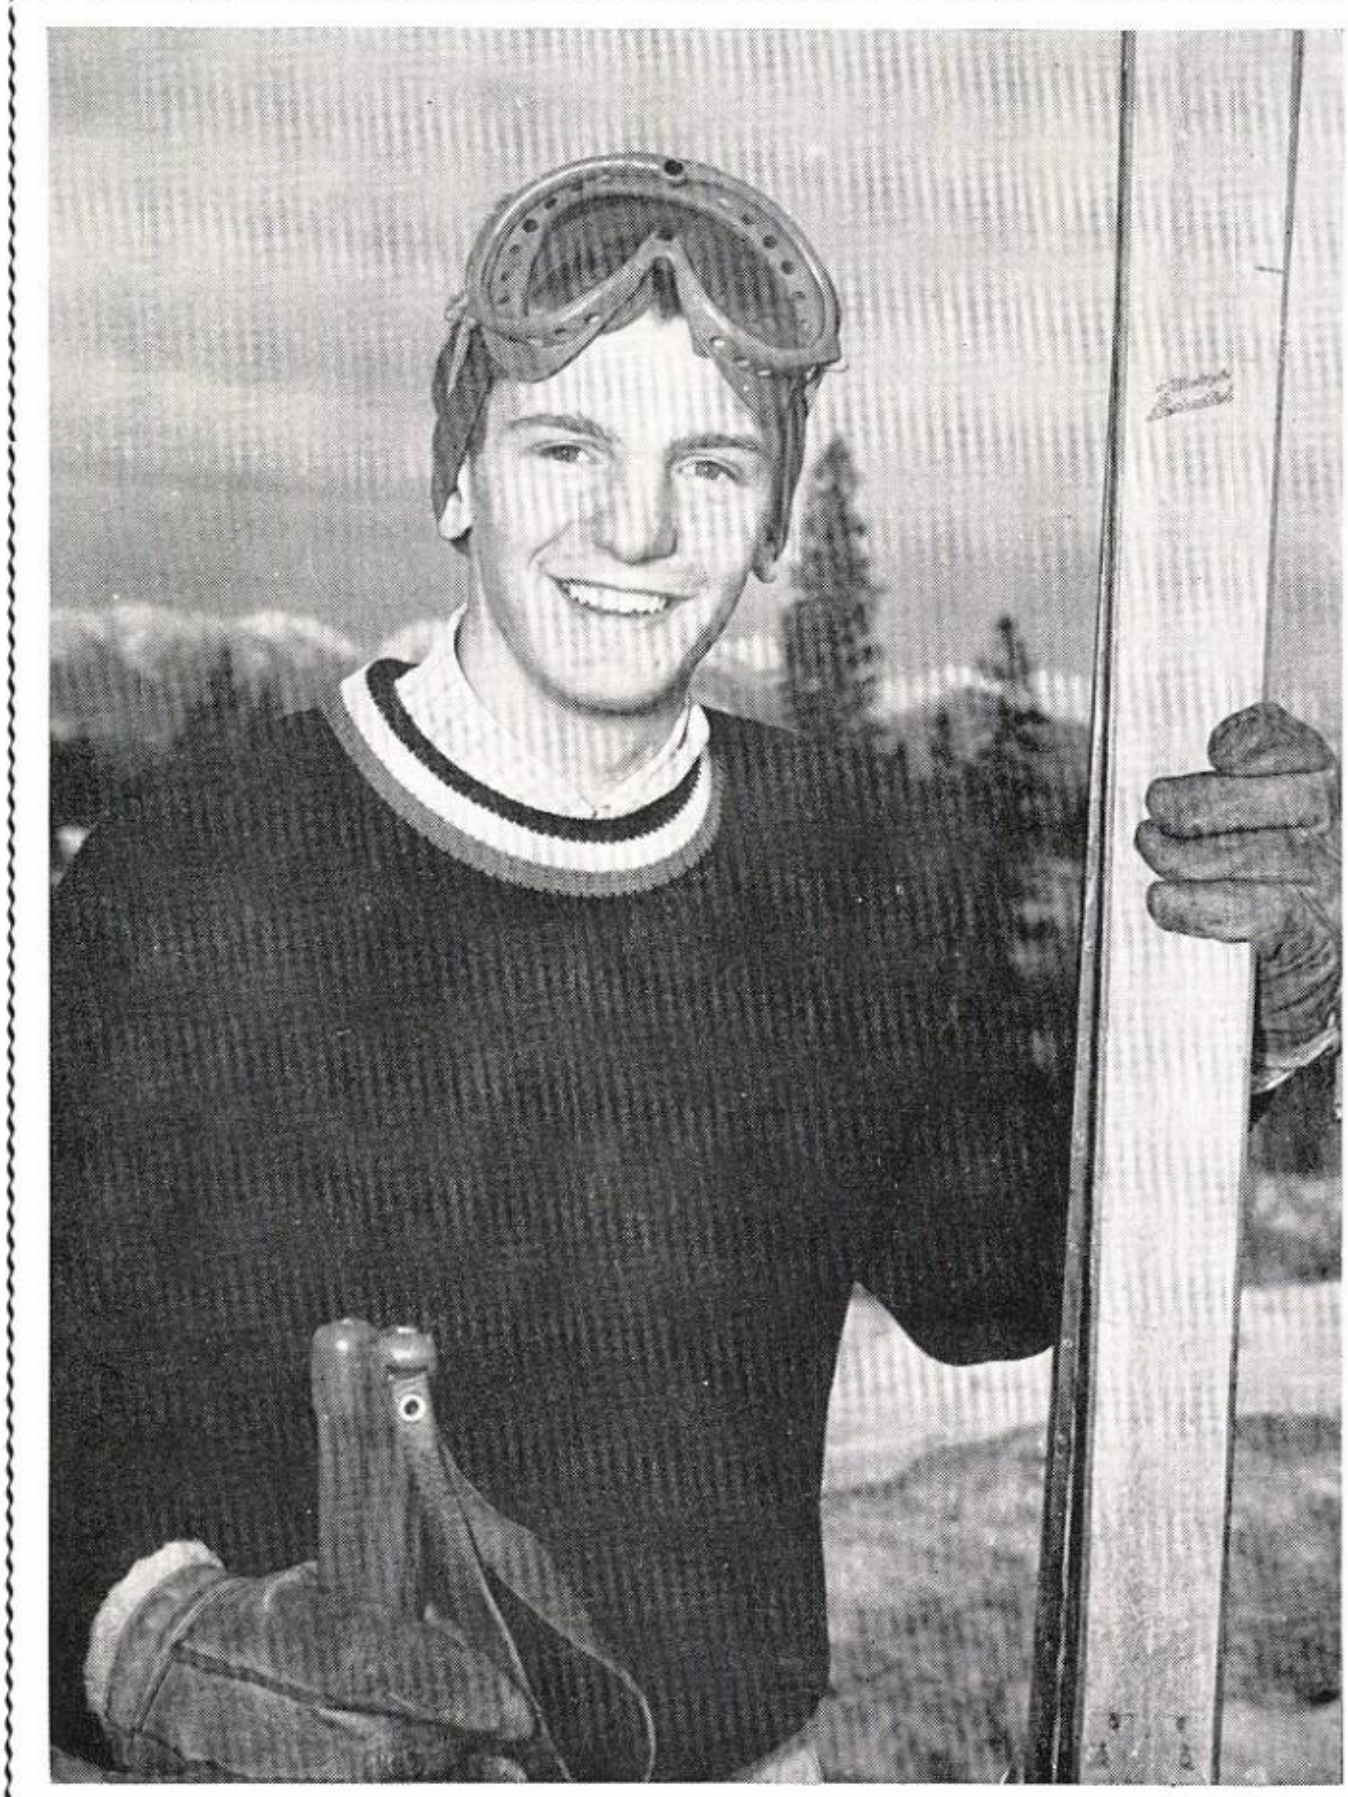
A SENIOR TRAPPED BY HUGHES



George Houston Gay

We dedicate this page in fond memory of George Houston Gay, who died suddenly February 3, 1957.

George was one of the finest skiers Flathead has known. In his junior year he participated in the Junior National Ski Meet at Franconia, New Hampshire. He won many honors in ski meets throughout the state.

George was an active member in the Order of DeMolay. He attained the Master Counselor position and was awarded the Chevalier degree for his superior work.

Last summer George accompanied Mr. Nelson, McCall's teacher of the year, along with four other seniors on a trip through the East.

George's cheerful smile and happy disposition won him a large circle of friends both among fellow students and adults of the community and state.

Hi Sister: (Nomanda)

How do you like Corvallis? Don't lose any weight worrying about Eddie. He'll be married before you get to Montana. Don't lose much weight picking strawberries. (As if you could Ha!) Join lots of clubs & get real good grades in your next 3 future years in Corvallis. Just think I'll be through with this school next year. Goody!

"1958" Well here it is next year already & I'll be through school in 4 days. I've had a lot of fun at Corvallis High & I hope you will also.

Joanne

CHOIR

Flathead County High School boasts three choirs and three ensemble groups, under the direction of Mr. Edward Souder. The work in Madrigal Choir this year was centered around the presenting of the operetta "The Gondoliers" in February. Girls' Choir added a unique touch to the school Christmas program by singing their songs as a choir of angels from the balcony of the auditorium. A Cappella Choir, besides singing for various civic groups, open house, and the school Christmas program, made Christmas and Easter tapes for the First National Bank. They also caroled in the halls at Christmas, presented a spring concert, sang for senior Baccalaureate and eighth grade registration. The highlight of the year for A Cappella was the trip to Spokane, where they sang for the Inland Empire Educators' Convention, the Spokane Rotarians, and recorded in the St. John Episcopal Cathedral.

All the ensembles provided music for various down-town organizations. Chanters furnished the leads in the operetta "The Gondoliers" and also gave a student assembly. The three choirs and Chanters sang for the Polson Music Festival.

BAND

The FCHS Band under the direction of Mr. Ed Beckstrand contributes musical entertainment for the school and the community. The marching band and twirling corps add color to parades and present pageants at the football games. This group performed at half time of a professional football game in Calgary last fall.

The concert band was featured in a musical cabaret, "South of the Border;" later in the year the band and twirlers presented "Variety Time," a combined concert and variety show.

Beckstrand's Be-Boppers, the school dance band, plays for mixers and entertains the student body at an annual assembly.

Tom Toms, the Flathead pep band, provides snappy music at all home basketball games.

Band and twirler members are looking forward to the highlight of the year—their trip to California in June. They will have the honor of playing at the Lions International Convention in San Francisco.

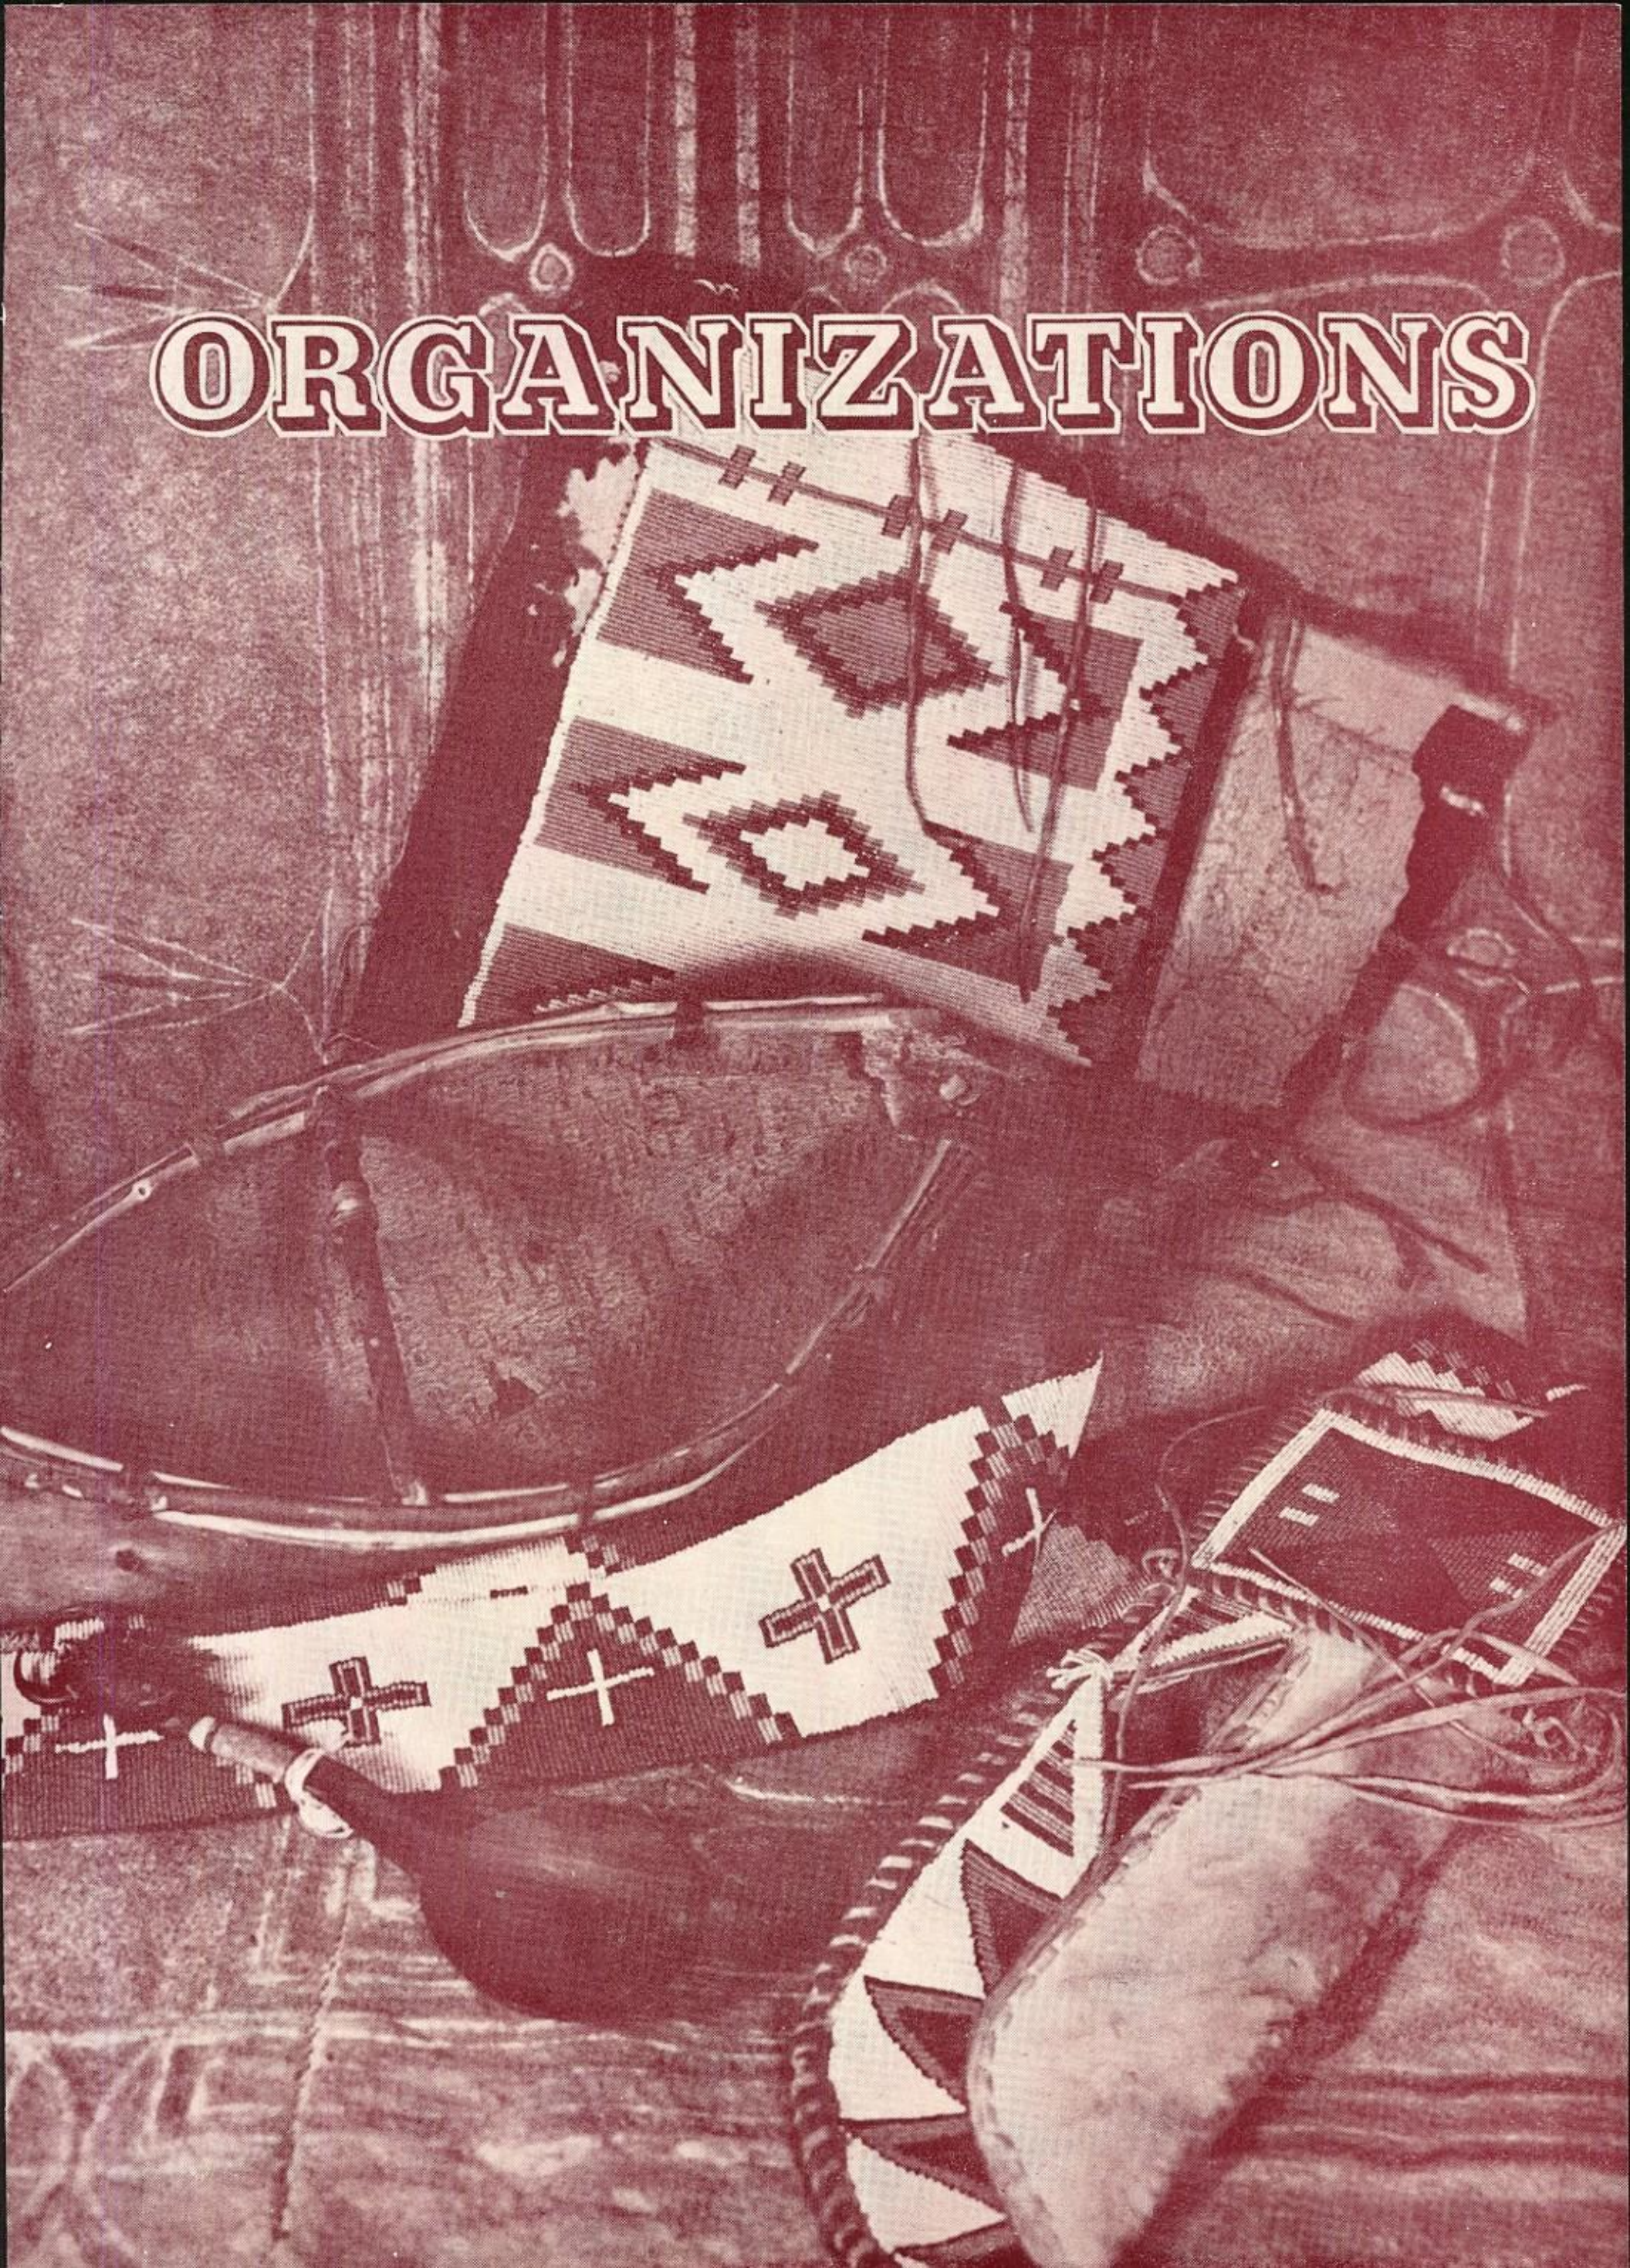
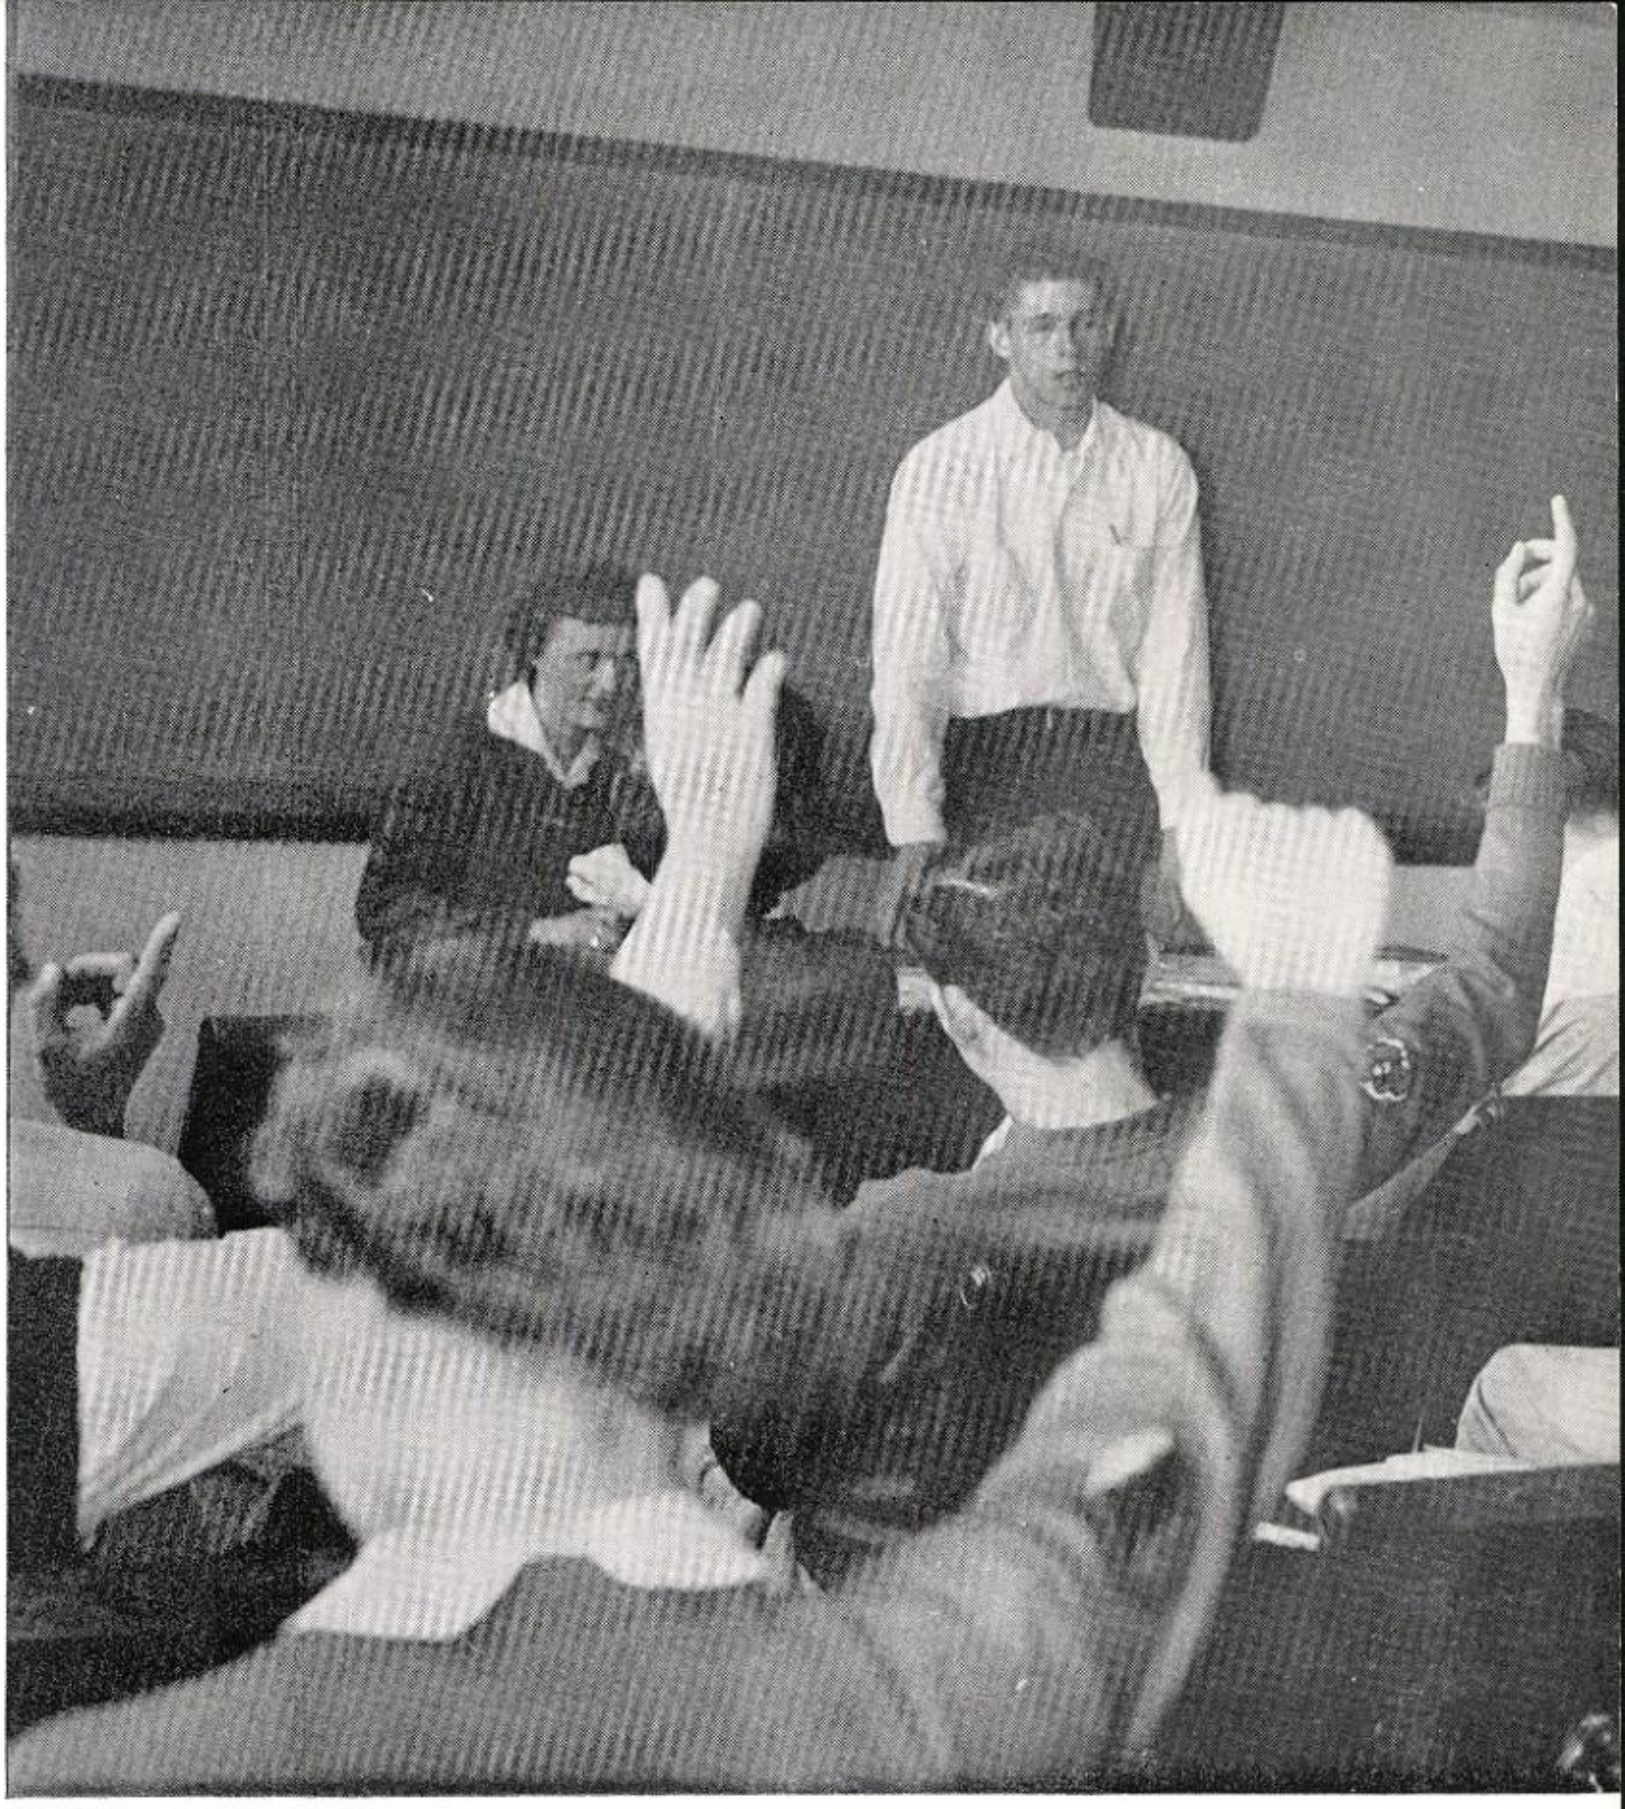
ORGANIZATIONS



GOV'T & PRESS



Students of FCHS may voice their wishes and ideas through their student council and school publications.

Each semester student elections are held for the purpose of choosing student council officers. Each homeroom elects a representative. The functions of the student council include formulating student body policies and supervising activities of the various school organizations.

THE FLATHEAD is a pictorial summary of academic and extra-curricular activities of the students. The annual is published by the graduating senior class and it is sponsored by Miss Dorothy Schoknecht and Mr. Richard Nelson.

THE ARROW is a weekly publication which informs students of timely and interesting news of the school. It brings school problems into focus by means of editorials. The school newspaper is published by the Arrow staff under the sponsorship of Mr. Noel Furlong.

THE QUIVER is a compilation of the best literary works of Flathead English classes and it is sponsored by Miss Ila Grace Hagie.

KEY CLUB TAKES OVER SHOE SHINING CONCESSION

HONORARY

Membership in Flathead's two honorary organizations is given to those students who have proved themselves worthy through their classroom and club activities.

Scholarship, leadership, service, and character—these are the ideals of Appinokwis Chapter of National Honor Society. To be eligible for this honor, a student must have at least a two average. Five per cent of the class is chosen at the end of the junior year and ten per cent during the second semester of the senior year. The candlelight initiation ceremony of members into this society is both impressive and beautiful.

Quill and Scroll is the honorary organization for students interested in journalism. Members of the Arrow and the Flathead are recommended for membership by the sponsors.

ATHLETIC

Athletic-minded students not participating in organized sports have an opportunity to follow their interests through membership in these clubs.

All boys who have "lettered" in any of the sports at Flathead are members of "F" Club. The current project of the group is purchasing a movie camera with which pictures of the games may be taken to be analyzed by the team members later.

That intangible something we call "pep" responds to the spontaneous enthusiasm of Flathead's five cheerleaders pictured on the above division page. Favorable comments on their routines and new yells are common from the fans, both adult and student.

Members of Pep Club aid the cheerleaders in promoting student morale. Their other duties are selling programs and ushering at games, planning pep assemblies, giving banquets for the team and sponsoring buses to the out-of-town games. Members are elected into Pep Club by their respective classes.

Anyone interested in skiing may belong to the Ski Club. This year they sold candy to help send Jim Barrier to the Junior National Ski Meet at Reno, Nevada. They also sponsored a bus to Big Mountain.

G. A. A. promotes sports activities for girls after school and also participates in a playday sponsored by the University Women's Recreation Association. Girls interested in cooking, sewing, camping, hiking, or any of numberless activities, are members of Kintla Girl Scouts.

CULTURAL

Through these F. C. H. S. clubs, students interested in the same activities unite their talents and efforts to further their hobbies and skills.

Flathead F. F. A. members have made the entire valley proud of them by achieving national recognition. Members operate the chapter farm, support a war orphan in Germany, conduct radio broadcasts, and take part in the County Fair.

Girls in F. H. A. have among other activities, hemmed dish towels for the cafeteria and made a desk for the school.

Projects of the Art Club this year have been the painting of a mural and the making and selling of ceramic "Brave" novelty pins. Members also sponsor an art contest in the spring.

The speech club, N. F. L., has an active and large participation in debates and speech contests. Members will participate in state-wide forensic activities at Interscholastics in May. An extremely amusing play was staged by the French Club for both an assembly and community meetings. Spanish language magazines to stimulate language interest classes were purchased by the Spanish Club.

Science-minded students have a natural outlet in Science Club, where projects and hobbies are demonstrated. The club helps Mr. Nelson stage the annual Science Fair.

Flathead is very proud of its C. A. P. group which has been so active this year taking trips to Kansas, Texas, Florida and Colorado. At Denver the drill team represented Montana in the Regional Drill Competition, placing third. Cadet Lyman Warkins was elected to participate in the International Exchange of Cadets and will go to Europe this summer.

SERVICE

Service clubs at Flathead make contributions not only to the school, but to the community as well. Key Club aided the March of Dimes with a peanut sale; the Red Cross Council prepared a Valentine party for patients at the County Hospital. A first-aid class for all interested high school students was also arranged by the Council.

Every year, Y-Teens promotes the "White Christmas Drive" which brings happy results to many needy Flathead families. This year among its many commendable activities the Bible Club sponsored a clothing drive for Hungary.

Operating the visual equipment of the school is the service of the Projectionists. Members who have mastered the techniques of operating various equipment are eligible for membership in National Projectionists.

D. E. students manage the student store. They not only gain experience in salesmanship, but also give a valuable service to the school.

Ushers have charge of all auditorium functions, both community and school. New members are elected by the group each spring to replace graduating seniors.

SEASON SUMMARY

Although the 1956 Flathead Braves finished the season with a 5-4 record, their average margin of defeat was a mere three points per game. In conference play, however, they finished in a tie for fifth with Butte Central and Billings.

After winning their first four battles, the Braves dropped their next three conflicts to Billings, Great Falls and Butte.

Forty-eight points against Anaconda marked the most points the Flathead team scored in a single game while Butte rolled for 47 tallies, the most the Brave defense allowed during a single contest.

SEASON SUMMARY

The reality of an unblemished home conference record was shattered in the last minute of the season. Big Dave Lein's jump shot enabled the Missoula Spartans to edge the Braves 43-42. The only other home loss of the season was in a non-conference tilt when an experienced Lewis and Clark team defeated the home crew 49-46.

Road games were disastrous for the Braves as well as all the other Big Ten teams, as Flathead managed to win only two of their nine road conference games.

Final statistics for the conference season were 10 wins and eight losses; points scored, 953; points against 950; average point spread, 0.17.

Tournament time saw Great Falls and Helena, who defeated the Braves on the final road trip, duplicate their past season performances to bounce the local five from the tourney scene. This was not accomplished, however, until the Braves eliminated the highly touted Billings Broncs, as they did last year, with a last second jump shot by Herb Smith.

Although they lost in the tournament, the Braves proved to be a surprise team in the Big Ten. Picked to finish last by many sportscasters, they finished fourth and in doing so defeated every other team in the league at least once.

Billings finished first in conference play, with a 13-5 record; Butte, second with 12-6; Butte Central, third with 11-7.

SKIING

JIM BARRIER

Members of the Flathead Ski team participated in four major ski meets this season. The team placed fourth in the four-way events in the State Meet at Big Mountain. Other meets they took part in were the Doug Smith Memorial at Big Mountain and the Belmont Invitational at Helena. Freshman and sophomore members of the team competed in the Bill Barnum Memorial race.

Jim Barrier had the honor of participating in the Junior Nationals at Reno, Nevada. He was one of nine Montana youths chosen to represent our state because of outstanding skiing ability. Jim finished 21st in competition against 72 of the country's best young skiers. At the left Jim is shown holding the Holter trophies he won for first place in the combined races at the Belmont Invitational at Helena.

Kenneth Erickson coaches the Flathead Ski team and Richard Nelson is the faculty advisor.

THE O'NEIL PRINTERS, KALISPELL, MONTANA

Dear Nancy,

It seems funny writing in an old school annual in Montana. I wish I was still there.

More power to you.

It has been pretty "nice running around with you and I hope to do more of it, but we do disagree sometimes. Hope you learn your english & your square roots.

How does it feel to have a school named after you? "Flathead". Love ya Sherry (Sex) Sullivan

When you get married and sail the sea send me a sailor C.O.D. (I would rather have the air force, tho) Love ya 1/All

Nancy Best of luck in the years to come at C.H.S. Sandra Bennett "60"

Nancy — I have enjoyed knowing you this year. Hope to get to know you better next year. Loads of luck in your future. Love, Joyce Snyder "60"
